

VIGILANCE AWARENESS WEEK-2024

Culture of Integrity for Nation's Prosperity

MESSAGE FROM DIRECTOR (HUMAN RESOURCES)

I am happy to learn that the Vigilance Awareness Week-2024 (VAW-2024) is being observed from 28 October to 03 November, 2024 with the theme “सत्यनिष्ठा की संस्कृति से राष्ट्र की समृद्धि” (Culture of Integrity for Nation's Prosperity).

In today's fast-paced and ever-changing environment, the significance of integrity cannot be overlooked.

Integrity is the cornerstone of any successful organization. In the workplace integrity fosters an environment of trust and respect, allowing us to work collaboratively toward our common goals without fear and favour. Trust is a powerful driver of engagement and a workforce that feels secure and respected, is more productive and motivated.

Furthermore, in an organisation where there exists a culture of integrity, employees take their commitments seriously, are proactive, decisive and ultimately accountable.

I encourage each one of us to embody the principles of integrity in all our interactions and decisions. Let us work together to create and sustain an environment where employee truly feel belongingness to the company, take decisions fairly, transparently & proactively own them and perform to make the team BHEL succeed in fulfilling its role in nation building.

Vigilance Department must be lauded for its enduring endeavours to promote preventive vigilance.
