

VIGILANCE AWARENESS WEEK-2024

Culture of Integrity for Nation's Prosperity

MESSAGE FROM DIRECTOR (POWER)

I am glad to know that BHEL is observing Vigilance Awareness Week-2024 from 28 October to 03 November, 2024 with the theme “सत्यनिष्ठा की संस्कृति से राष्ट्र की समृद्धि” (Culture of Integrity for Nation's Prosperity).

Integrity is not just a principle; it is the foundation upon which we build trust with our stakeholders, employees, and the communities we serve. In our Company, where our actions have far-reaching impacts, maintaining high ethical standards is essential. When we prioritize integrity, we foster a culture of transparency and accountability that enhances collaboration and innovation across our teams.

Our work directly affects the quality of life for countless individuals and businesses. Upholding the values of integrity is the duty of each one of us. We face different choices every day and make different decisions. Honesty forms the indispensable foundation of integrity and is a prerequisite for the full realisation of trust, fairness, respect, and responsibility of these decisions. These attributes are critical in driving our initiatives forward.

To cultivate a culture of integrity, we must integrate ethical practices into every facet of our operations. This includes fair and transparent tendering processes, operations and adherence to environmental & safety standards to the highest level of customer satisfaction. Each one of us have a role in modelling ethical behaviour, which sets a benchmark for others to follow. Let's work together to create a workplace where ethical behaviour is the norm and is rejoiced.

I wish, Vigilance fraternity a very success in their endeavour to spread the theme of Vigilance Awareness Week-2024 as part of preventive vigilance and request my all fellow men including those working at far flung sites, to participate in the activities scheduled during VAW-2024.

(Tajinder Gupta)
