

VIGILANCE AWARENESS WEEK-2024

Culture of Integrity for Nation's Prosperity

MESSAGE FROM DIRECTOR (INDUSTRIAL SYSTEMS AND PRODUCTS)

I am happy to know that the Vigilance Awareness Week-2024 (VAW-2024) is being observed from 28 October to 03 November, 2024 with the theme “सत्यनिष्ठा की संस्कृति से राष्ट्र की समृद्धि” (Culture of Integrity for Nation's Prosperity).

As we work together towards our shared goals, I would like to take a moment to reflect on the vital importance of integrity in our organization's culture and its significant impact on the prosperity of our nation.

Integrity is the foundation upon which we build our business in this ever changing business environment. Integrity goes beyond mere compliance with laws and regulations. When we prioritize integrity, we create an environment where transparency and accountability thrive. It shapes how we interact with each other, take decisions and fulfil our responsibilities. When we commit to a culture of integrity, we create an environment where everyone feels empowered, valued and treated fairly.

As we look to the future, let us all embrace and advocate for a culture of integrity in our daily actions. Each one of us has the power to influence our work environment positively, and together, we can create an atmosphere of ethical behaviour that inspires others across and beyond the organization.

I am delighted to know that Vigilance Department is continuously engaged in organising many activities directed to create and promote awareness towards preventive vigilance. I call upon every employee to actively involve themselves in such activities and contribute towards spreading the culture of integrity.
