### Annexure I

#### Minor fire incident in BHEL Bhopal

Bhopal, April 24: A minor fire incident occurred today at approximately 11:30 am on a garbage heap located in an isolated area near Material Gate No. 9, adjacent to the plantation area of BHEL's Bhopal unit. The situation was promptly attended to by the CISF fire team, with additional support from the municipal fire tenders and the State Disaster Response Fund (SDRF) team, who arrived swiftly on site.

The fire was contained within the plantation area, and there was no damage to any machinery, plant or property. Additionally, no injuries or casualties have occurred.

As a precaution, monitoring and safety measures are being maintained by the fire team, and the area will continue to be observed throughout the night to ensure complete safety.

BHEL remains committed to the highest standards of safety and thanks all agencies involved for their prompt response.
