

VIGILANCE AWARENESS WEEK 2021

(26th October to 1st November, 2021)

“स्वतंत्र भारत @ 75 : सत्यनिष्ठा से आत्मनिर्भरता”

“INDEPENDENT INDIA @ 75: SELF RELIANCE WITH INTEGRITY”

Message from Chairman & Managing Director

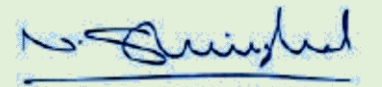

I am happy to note that Vigilance Awareness Week is being observed from 26th October to 1st November, 2021 with the theme “Independent India @75: Self Reliance with Integrity (स्वतंत्र भारत @75: सत्यनिष्ठा से आत्मनिर्भरता”.

BHEL is operating in a fast changing & dynamic world which coupled with the ongoing energy transition and COVID-19 pandemic has put our current business operations under great strain. However, the company has taken a number of initiatives in the recent past to improve its operations as well as to capitalize on the emerging business opportunities in line with the Government’s vision of a New India and an “AatmNirbhar Bharat”.

The current situation demands that each one of us works with full commitment & integrity in every aspect of our functioning, to ensure that the company is able to emerge from the present situation as a leading engineering & manufacturing organisation making its due contribution to the emerging New India.

In this context, the theme of the Vigilance Awareness Week “Self Reliance with Integrity” becomes very topical & important. I convey my best wishes to the Vigilance Team for a successful Vigilance Awareness Week 2021.
